

Military Tested & Approved The SmartVault®

High-tech shipping container for Military Moves.

The secure, durable SmartVault offers superior tensile strength and resistance to impact and moisture. It virtually eliminates tampering and pilferage. With guaranteed swift transit, flexible storage options, and just in time domestic delivery anywhere, the SmartVault is ideal and cost-effective for both military household moves as well as logistical relocation solutions.

SmartVault is constructed of recyclable polymer (HDPE) and aluminum, and requires no recurring use of wooden pallets or plastic wrap materials.
